If you or anyone you know is a Ron Paul supporter in the state of California, please be informed that a significant effort to get organized statewide is under way. Los Angeles Liberty Headquarters at 1728 Abbot-Kinney Blvd in Venice will serve as the physical HQ. Regardless of whether you are from the LA area, if you're a Paul supporter in CA, please contact us to stay organized about what we can do across the state to help Dr. Paul's campaign both in California and across the country.

For those who are from the LA area, be advised that this Saturday, February 18th from 12PM to 9PM, the LA Liberty HQ will be having a Grand Opening Welcome Bash. Anyone in the area looking to get involved with helping Dr. Paul should do what they can to attend.

Also, a large-scale phone bank is now in place and needs to be populated around the clock. It is the best tool for not only winning California, but picking up votes and delegates across the country, as well as getting out the vote for all the upcoming states, especially on Super Tuesday. There's no reason why any of the phones should ever be vacant; we have the supporters in the area to make it happen, so let's get everyone out to LA Liberty HQ and help put Dr. Paul in the White House!
